# WANTED

## DEC. 18, 1972

# PROGRESSIVE RANCHERS

These ranchers are guilty of willfully and industriously increasing weaning and yearling weights. They must be approached with fairness and records. They are known to be unrelenting in their search of profits and are suspected of using performance proven bulls in their herds. May be using an alias: cowboy, farmer, stockman, or cattleman.

## REWARD OFFERED

WHEN YOU ATTEND THE
